

Work Out

Juicy J

Where-where the dollars at, bitch, where the dollars at? (Yeah)
Where the dollars at, bitch, where the dollars at? (Where they at? Shut the fuck up)
Where the dollars at, bitch, where the dollars at? (Where they at? Hitkidd, what it do, man?)
Where the dollars at, bitch, where the dollars at? (Mhm, where they at? Uh)

She gon' work out, crush the competition
She gon' work out, trainin' and condition
She gon' work out, focus on nutrition
She didn't come to work out, she just outworked the competition
She gon' work out, crush the competition
She gon' work out, trainin' and condition
She gon' work out, focus on nutrition
Everything gon' work out, baby, just focus on the mission (Ayy, ayy)

Why you not athletic? Do some calisthenics
Pockets extra fat, girl, come and help me shred it
Bendin' over first, you know I gotta stretch it
She lets you work her out, she say that shit pathetic
I got stamina, we can go all night long
Bring some bands with ya, or stay your lil' broke ass home (Mm-hmm)
I need your full attention, so put down that phone (Put down)
Lose my weight, then J ain't fuckin' with this for long (Woah)
Work it in the gym, or you can work it in your home (Uh-huh)
Shit be temporary, once he work it out, he gone (Gone)
Lockin' on your fitness, stand on top of all your business
Damn, she got some clappers on her, God be my witness
Every time she call, I pull up godspeed with quickness (Ayy, ayy)
Gotta jump to put your jeans on, what you doin' with all that thickness?
Just had that baby, you already snapped back (Ayy)
It's workin' if it's hurtin', I'ma make you tap-tap (Ayy)

She gon' work out (Yeah), crush the competition
She gon' work out (Let go), trainin' and condition (Mm-mhm)
She gon' work out (Yeah), focus on nutrition
She didn't come to work out (Uh-hmm), she just outworked the competition (Yeah, ho)
She gon' work out, crush the competition
She gon' work out (Work, uh), trainin' and condition (Sir)
She gon' work out (Out), focus on nutrition
Everything gon' work out, baby, just focus on the mission (Work)

Where the dollars at, bitch, where the dollars at?
Where the dollars at, bitch, where the dollars at?
Where the dollars at, bitch, where the dollars at?
Where the dollars at, bitch, where the dollars at? (Finesse)
I got 'em

Pull in that 'Lamb (Skirt), they know who I am (Who I am)
Wanna kill me 'bout a bitch, I got that blower, I be down (Down)
She gon' choose up (She choosin'), whole Ke-mo sah-bee (Woah)
Fifteen-hundred dollar dress shoes, where the red carpet? (Yeah, where the red carpet?)
Got a hundred-thousand on me right now, all hundreds (Huncho)
And I bet my bottom dollar that your bottom bitch want me (Yes, she gone)
All that internet shit, miss me with it, I don't feel ya (I don't feel it)

Know some niggas out in North Memphis that'll tie ya up and kill ya (North M
emphis)
This shit ain't 'bout murder (Ayy, hol' up), this shit 'bout some money (Yea
h)
If you knew me like I knew myself, you would get your women (Get your ho)
Don't get mad at that man 'cause he knocked your ho, nigga (He knocked your
ho, nigga)
Bitches'll do anything when your pockets low, nigga (She gon' work out)

She gon' work out, crush the competition
She gon' work out, trainin' and condition
She gon' work out, focus on nutrition
She didn't come to work out, she just outworked the competition
She gon' work out, crush the competition
She gon' work out, trainin' and condition
She gon' work out, focus on nutrition
Everything gon' work out, baby, just focus on the mission

Where the dollars at, bitch, where the dollars at?
Where the dollars at, bitch, where the dollars at?
Where the dollars at, bitch, where the dollars at?
Where the dollars at, bitch, where the dollars at?
Long live Gangsta Boo, Queen Of Memphis
