Ridin' in my black Bonneville bumpin' Three Six  
Roll up 20 zig zags out of one zip

Ridin a ghost, Trippin on dope  
Drankin the filth, Passin a roach  
Ball like I'm Kobe, when straight to the pro's  
White girls are money, bank on my coat  
Higher than I've ever been, drankin some gin  
Let the hoes in, tell em bring a few friends  
Smoking on the top, ashing on you fuck niggas  
Eye's low, pop a xan, I'm drunk nigga  
Pounds laying around my crib Juicy J ain't never even touch  
Shawty passed out on the floor and she only hit the cheese weed  
once

Ain't no chips ahoy but this nigga right here keep cookies  
Keep some OG, you motha fuckin niggas know I ain't no rookie  
Lye second, smokin hit a few times and you niggas be chokin'  
She don't even hit the weed all she do is break it down and rol

One ain't enough I'm rollin up two a stitches  
All my real niggas smoke one if you with it  
All my bad bitches smoke one if you feel it

Ridin' in my black Bonneville bumpin' Three Six
