

# Colour Me

Juke Ross

Here we are again  
Fading light  
Those gleaming eyes and freckled smile light up the night  
Here we are alone  
My lips on yours  
The taste of candy and salt drives me for more  
Tied to my urn with your ball-point pen  
Say you love me again and again  
There will never be an end  
To this love my dear friend

You, colour me  
You colour my soul  
Paint me red in places once filled with gold  
You, colour me  
You colour my soul  
Make me dream of things I never did once before

Here we are again  
Telling me its my fault  
Things I don't understand, things beyond control  
Here we are alone  
You resting by my side  
Those broken glass shatter me and cloud my mind  
Before you stab my heart with your ball-point pen  
Say you love me again and again  
There will never be an end  
To this love my dear friend

You, colour me  
You colour my soul  
Paint me red in places once filled with gold  
You, colour me  
You colour my soul  
Made me dream of things I never did once before

Lipstick stains on these clothes of mine  
Hold your scent frozen in time  
Lipstick stains on these clothes of mine  
Hold your love frozen in time

You, colour me  
You colour my soul  
Paint me red in places once filled with gold  
You, colour me  
You colour my soul  
Make me dream of things I never did once before  
You
