

Crazy Love

Juke Ross

I can feel her heartbeat from a thousand miles
When the heavens open I can see her smile
And when I come to her that's where I belong
Yet I'm running to her like a river's song

'Cause she gives me love, love, love
Crazy love
She gives me love, love, love, love, love
Crazy love

She got a fine sense of humor when I'm feeling low down
When I come to her and the sun goes down
She takes away my troubles, takes away my grief
Takes away my ache in the night like a thief

She gives me love, love, love
Crazy love
She gives me love, love, love, love, love
Crazy love

Yes I need her in the daytime
Yes I need her in the night
Yes I wanna throw my arms around her
And hug her again, kiss her tight

And when I'm returning from so far away
She give me some sweet lovin' brightens up my day
And though it makes me mellow, though it makes me whole
Still it makes me right down in my soul

'Cause she gives me love, love, love
Crazy love
She gives me love, love, love, love, love
Crazy love
Yeah she gives me love, love, love
Crazy love
She gives me love, love, love, love, love
Crazy love
