

Call Me Joe

Jukebox the Ghost

When you move in the morning
Your body tells a story
I keep you right in front of my eyes
So tell me if you hear this
I wanna be the realest
I wanna get a piece of your mind
You said I'll tell you my story
And all of its glory
But you just can't use my name
Well, that doesn't matter
The truth is the answer
Even when the names are changed

All my life I feel like
I've been... floating away
So if you are going to
Give me a brand new name
You can call me Joe
You can call me Jane
I guess it doesn't matter

With my back to the earth
And my heart to the stars
I tried to float away
I wanna feel like I feel
Like I know what you feel like
But I still haven't felt that way
You say the truth is the answer
Think like a dancer
Movement will set you free
Well the Nile is my river
Barter is a given
Until I float into the sea

All my life I feel like
I've been... floating away
So if you are going to
Give me a brand new name
You can call me Joe
You can call me Jane
I guess it doesn't matter

You can call me Joe
You can call me Jane
You can call me Joe
You can call me Jane

You put the past in your rear view
Moved it out of gear two
And pushed until the envelope broke
Said you coulda been a dentist
And eaten a balanced breakfast
And ended at the end of the rope
But the truth is the answer
Move like a dancer
Always just out of reach
But I, I kept the movement

Built my life to it
And tried to find someone to be

All my life I feel like
I've been... floating away
So if you are going to
Give me a brand new name
You can call me Joe
You can call me Jane
I guess it doesn't matter
