

**(mrs. kennedy)**

**Jukebox the Ghost**

And now over to the white house for an exclusive interview with  
the First Lady

Mrs. Kennedy, you think that there's a relationship between the  
government and the arts?

That's so complicated, I don't know

This piano brings to mind that, uh, this is the part of the whi  
te house where you have the musical affairs

That's right

This piano

That's right

Musical affairs

That's right

I think that is a historical entry

I just think that everything in the white house should be the b  
est...
