

## Simple As 1 2 3

Jukebox the Ghost

Someone walks in  
Feels different in a moment  
When it begins  
Everything you touch is golden

And when you feel your pulse  
Knock you over like an animal  
Oh, then you know  
A deep breath and off you go

It's as simple as a girl in a corner  
1, 2, 3  
It's as simple as a boy in a corner  
When he wants the same thing  
It's as simple as walking over  
And saying something  
Quick, before the chance is over  
Here you go  
1, 2, 3

So take a risk  
And find a little love  
Hidden where you didn't see it  
'Cause the time you have is all the time you've got

And when you feel your pulse  
Knock you over like an animal  
Oh, then you know  
A deep breath and off you go

It's as simple as a girl in a corner  
1, 2, 3  
It's as simple as a boy in a corner  
When he wants the same thing  
It's as simple as walking over  
And saying something  
Quick, before the chance is over  
Here you go  
1, 2,

It's as simple as a girl in a corner  
1-2-3  
It's as simple as a boy in a corner

It's as simple as a girl in a corner  
1-2-3  
It's as simple as a girl in a corner

It's as simple as a girl in a corner  
It's as simple as a boy in a corner  
When he wants the same thing  
It's as simple as walking over  
And saying something  
Quick, before the chance is over  
Here you go  
1, 2, 3

1, 2, 3  
Oh, 1, 2, 3  
1, 2, 3  
Oh, 1, 2, 3
