

# Butterfly

Julia Fordham

I'm like a butterfly  
Pushing against the wind  
You're like a magnet  
Pulling me back in  
No matter how I try  
No matter what I do  
I keep coming back to you  
Mercy mercy please  
You've got to release me  
How this fatal twist of alchemy  
Brings me to my knees

Danger dangerous  
What will become of us?  
Strained addiction rushing over me  
When will I break free?

You're like a drug  
I can't give up  
I want you way too much  
I keep on keep on keep on  
Coming back to you
