It is what it is what it is what it is And that would be that
And I give and I give and I give and I give and I give
And I want some back

Where do I sign?
Where do I go?
Did I miss a page?
I don't know

Sifting through the sand for sugar Digging deep like a wise old Buddha No more I really wish I shoulda Sifting through the sand for sugar

It's the same old the same old the same old the same old the same old

The same old story

And I don't know I don't

Holding my breath
Staying afloat
Thought I had it made
But I don't

Sifting through the sand for sugar Digging deep like a wise old Buddha No more I really wish I woulda Sifting through the sand for sugar

Slipping through my fingers So sweet to hold Sifting sifting sifting For grains of gold

Sugar Gotta find me some gold Gotta fine me someone to hold
