Open my wings with joy  
See no cor sun ray  
To you  
I feel so alove  
Joi!  
I can't wait  
En sai butter mo cor  
Eu you  
Lauzeta, sweet in the melting world  
Lo mon  
The bananas are getting yellow  
Don't let me forget  
Please take my temperature  
Swoop up  
Lauzeta, sweet in the melting world

Love me at the moon  
Jauzion  
Alas  
Mylas  
Lauzeta  
Quiet, ai last!  
Who will tell me what to do?  
Tell me what to say  
Don't say no to feel so alove  
No more to say  
Chazer in here  
So I fall
