

# I Would Rather See

Julia Holter

I and her  
Face  
Brighter than  
Chariots or  
Footsoldiers  
ToWard  
I  
ANd under  
The bridges  
HEr  
ChaRiots  
Shouting lydiAns and  
RaNks of foot soldiers  
IN  
PossiblE misstep  
UnexpeCted licking struck her as  
RAther bold  
HeR  
Step  
MOtion  
ON  
Fast charIots and  
Wounded Footsoldiers  
Rush iN but  
NOT  
To  
Be too toWard  
I  
ANd to shuffle  
The light  
To offend hEr  
ChaRiots  
LyrdiAns sadly outstretched  
Firm raNks  
IN place  
Designed as a possiblE way into  
UnexpeCted fantasies  
We'd rAther watch  
HeR  
Step toward  
MOtion  
ON  
CharIots off  
OF solid ground
