Magic

Julia Jacklin

I won't feel ashamed tonight
Treat it like a stage tonight
Turn over a new page and write

Forget all that I learnt tonight
All the times that I've been hurt tonight
Remember what I'm worth and fight for it

Put on something special
Greet you at the door
Lead you to the bedroom
Our clothes scattered down the hall

I will feel adored tonight
Ignore intrusive thoughts tonight
Unlock every door in sight

Ready to do magic
Naked beneath the cape
For my final trick
I'll ask if we could wait

Until I feel safe again
Until I feel safe again
