

Someday

Julia Jacklin

In many ways, they'll miss the good old days
Someday, someday
It hurts to say, but I want you to stay
Sometimes, oh sometimes

When we was young, oh man did we have fun
Always, always
Promises, they break before they're made
Sometimes, oh sometimes

Oh my ex says I'm lacking in depth
But I will try my best

You say you wanna stand by my side
Darling your heads not right

See, alone we stand, together we fall apart
Oh I think I'll be alright

I'm workin so I don't have to try so hard
Tables they turn sometimes
Oh someday

I ain't wasting no more time
Ohh...

Now my fears, they come to me in threes
So I, sometimes
Say fate, my friend, you say the strangest things
I find, oh sometimes

Oh my ex says I'm lacking in depth
But I will try my best

You say you wanna stand by my side
Darling your heads not right

You see alone we stand, together we fall apart
Oh I think I'll be alright

I'm workin so I don't have to try so hard
Tables they turn sometimes

Oh someday
I ain't wasting no more time
Ohh...
