

## Sweet Step

Julia Jacklin

I was dancing for a while  
See I was trying to perfect a style  
Out on that dance floor oh boy did I sweat  
Shaking to get noticed has not worked for me yet

But I'll keep trying

See I was swinging my blonde hair round  
See I was trying to get my feet off the ground  
And I rose steady to the roof of my room  
I may not be a great dancer but I might be a good one soon

Yeah I'll keep trying

Dancing for yourself ain't bad when you're dying to find  
That sweet step that will help to free your mind
