**Julia Michaels**

Everybody said that it would take time, I'd cry  
That I'd go through every memory in my mind and ask why for a while  
Gotta do a little hurting to be fine

With you missing in an instant  
It's like I'm out of prison  
If I add up every moment  
It's never gonna come close to this

Nothing's ever felt as good as falling out of love (Falling out of love)  
With you (Oh-oh), mm  
Didn't know I'd feel this good just laying here alone (Laying here alone)  
But I do (Oh-oh)  
And tell me, yeah  
Aren't there supposed to be pieces that I pick up?  
Nobody said I'd be dancing while breaking up  
But nothing's ever felt as good as falling out of love (Falling out of love)

I don't think I've heard of someone on track, so fast  
Wanting you would be like taking eighty-two steps back, just like that  
How you got me feeling so relaxed?

With you missing (With you missing) in an instant (In an instant)  
It's like I'm out of prison  
If I add up every moment  
It's never gonna come close to this

Nothing's ever felt as good as falling out of love (Falling out of love)  
With you (Oh-oh), mm

But nothing's ever felt as good as falling out of love with you (Falling out of love)

Hey, I'm, hey, I'm  
Falling out of love  
Hey, I'm, hey, I'm  
Falling out of love  
Hey, I'm, hey, I'm  
Falling out of love  
Hey, I'm, hey, I'm  
Falling out of love

Out of love, out of love with you
