Orange Magic

Julia Michaels

I drove through love so fast, I wracked up speeding tickets
Now, that's finished
I drank a glass of ginger, now my head is spinning
With you in it

I'll never forget your Beamer
Coming down my street to
Pick me up on a date
I didn't know I was hungry
For someone to love me
Till you were on the plate, hey

Orange magic
In your eyes, on my mind
Orange magic
Butterflies, a thousand kinds
A new fabric
I can climb on top and break it in
Again, again, again

I took apart my couch cushions looking for my feelin's
Now, I'm in 'em
Hey, I was land locked
Held down by my bad decisions
Now, I'm swimmin'

I'll never forget your Beamer
Coming up my street, now
I'll never be the same, aye

'Cause I'm deep in orange magic
In your eyes, on my mind
Orange magic
Butterflies, a thousand kinds
A new fabric
I can climb on top and break it in
Again, again, again

'Cause I'm deep in orange magic
In your eyes, on my mind
Orange magic
Butterflies, a thousand kinds
A new fabric
I can climb on top and break it in
Again, again, again
