

Priest

Julia Michaels

Yeah there are liars but then there is you
In retrospect that's what brought me to you
Guess I thought I could change you to the truth
I don't know I don't know what I was thinking

Sometimes I miss you and then I remember
That I deserve much better
Cover my tattoo about you with another
And now I'm feeling much better

Oh you broke my heart and now you want some redemption
Oh it's obvious that you ain't learned your lesson
Oh you're owning up so you can get to heaven
Oh but I'm not a priest so fuck your confession

In my weak moments I think about you
But not in the way that you think that I do
I've actually made up a game with my friends
To see how long until this one ends and the next one begins
I've got a hundred dollars riding on it

Oh you broke my heart and now you want some redemption
Oh it's obvious that you ain't learned your lesson
Oh you're owning up so you can get to heaven
Oh but I'm not a priest so fuck your confession

Oh but I'm not a priest so fuck your confession

Oh but I'm not a priest so fuck your confession

Sometimes I miss you and then I remember
That I deserve much better
Cover my tattoo about you with another
And now I'm feeling much better

Oh you broke my heart and now you want some redemption
Oh it's obvious that you ain't learned your lesson
Oh you're owning up so you can get to heaven
Oh but I'm not a priest so fuck your confession

Oh but I'm not a priest so fuck your confession

Oh but I'm not a priest so fuck your confession
