

# The Hardest Thing

Julia Sheer

Still framed photographs of you and me together  
Is all I have of me and you anymore  
We were so in love and we thought it'd last forever  
But in the storm, we were torn

And I won't forget you  
I don't regret you  
But the hardest thing I've had to do is live without you  
And I wonder why we both walked away

I've tried without you  
Cried about you  
Now turn around, come back, so I don't dream without you  
And I promise I will make you want to stay

I'm digging deep to find a way that we can both be  
Wrapped up in each other's arms for one more day  
We've had our time to think we're still feeling empty  
When you say that you won't stay

And I won't forget you  
I don't regret you  
But the hardest thing I've had to do is live without you  
And I wonder why we both walked away

I've tried without you  
Cried about you  
Now turn around, come back, so I don't dream without you  
And I promise I will make you want to stay

I'm sorry for all I did  
What I said  
And the things I hid  
I'm finally over me  
The past is through

I can't imagine where I'd be  
If you had never rescued me  
You gave me hope to live, now I need you  
'Cause I need you now

And I won't forget you  
I don't regret you  
But the hardest thing I've had to do is live without you  
And I wonder why we both walked away

I've tried without you  
Cried about you  
Now turn around, come back, so I don't dream without you  
And I promise I will make you want to stay
