

How Sweet It Is

Julia Stone

Needed the shelter from somebody's arms
and there you were
Needed who share my ups and downs
and there you were
With sweet love and devotion
Deeply touching my emotion

I wanna stop and thank you, baby
Just wanna to stop and thank you

How sweet it is to be loved by you
How sweet it is to be loved by you

Close my eyes and I wonder where would I be
Without you in my life
Everything I did was such a bore
Everywhere I've been it seems I had been there before
But you brighten up all of my days
With love so sweet in so many ways

I wanna stop and thank you, baby
I just wanna to stop and thank you

How sweet it is to be loved by you
How sweet it is to be loved by you

You were better for me than I was for myself
For me, there's you and there's nobody else

I wanna stop and thank you, baby
Just wanna to stop and thank you

How sweet it is to be loved by you
How sweet it is to be loved by you

How sweet it is to be loved by you
How sweet it is to be loved by you
