

# Dracula

Julia Wolf

I'm 'bout 6'2" in my Filas  
I spent my youth on the bleachers  
I know a win when I see one  
Go take a lap  
I just been goin' on instinct  
You hit my line, say you miss me  
Wow, I hit you like, "We should fix things"  
Wink, wink

You got my notifications on, you takin' notes  
Nobody thought I would stay this long, now they all know  
I don't trust nobody givin' advice  
Comin' for mine

I call you Dracula (Dracula)  
'Cause most of you people just can't even look in the mirror (Look in the mirror)  
So why are you here? (Why are you here?)  
This summer, I'm actin' up (Actin' up)  
The same ones who throwin' the shade are afraid of the sun  
I'm comin' for blood, you knew what it was

Mm-hmm-mm, mm-hmm-mm, mm-hmm-mm  
Mm-hmm-mm, mm-hmm-mm, mm-hmm-mm, mm, mm-hmm  
Ah, ah-ah, mm  
Mm-hmm-mm, mm-hmm-mm, mm-hmm-mm  
Mm-hmm-mm, mm-hmm-mm, mm-hmm-mm, mm, mm-hmm  
Ah, ah-ah, mm

I'm never blind to a leecher  
I know the ways of the reaper  
Got enough blood on my sneakers  
Go take a lap  
Always the ones who were preachin'  
With the hands in your pocket  
Got no business talkin'  
Blind off the profit

You got my notifications on, you takin' notes (Takin' notes, you takin' notes)

You shouldn't have gassed me up (Mm-hmm-mm, mm-hmm-mm, mm-hmm-

mm, you shouldn't, you shouldn't, you shouldn't)  
The same ones who throwin' the shade are afraid of the sun (Mm-hmm-mm, mm-
