

Hoops

Julia Wolf

Can I have your face? I'm tired of mine
We shoot hoops almost every night
Saw your man with another girl
I love you 'cause you let that shit burn

I know who my real friends are
They always gon' answer when I call
Never switchin' sides is the key to my heart
Say what's on my mind, I've been real from the start
Hmm-hmm

Ah, ah
Put the car in park, spillin' out your heart
I would never lie, I'm fuckin' real from the start
Ah, ah
Put the car in park, spillin' out your heart
I would never lie, fuckin' real from the start
Fuckin' real from the start

Brace yourself for the impact, we're makin' moves
My favorite sound is cicadas and truth
My only heart comes from inside the booth
I feel alive, we got somethin' to prove
You tell it like it is, my knees to my chest
No, don't spare my feelings, comin' from you
I will always listen, I will always listen

I know who my real friends are
They always gon' answer when I call
Never switchin' sides is the key to my heart
Say what's on my mind, I've been real from the start
Fuckin' real from the start

Ah, ah (From the start)
Put the car in park, spillin' out your heart
I would never lie, I'm fuckin' real from the start
Ah, ah (Fuckin' real from the start)
Put the car in park, spillin' out your heart
I would never lie, fuckin' real from the start
Fuckin' real from the start

Talk shit, but to me, you only say that shit to me
Yeah, yeah, yeah
Shoot hoops in our jeans, only say the things we mean
Yeah, yeah, yeah

Can I have your face? I'm tired of mine
Can't stay mad even when we try
Saw your man with another girl
Just like me, always let that shit burn

Ah, ah (From the start, burn)
Put the car in park, spillin' out your heart
I would never lie, I'm fuckin' real from the start (From the start)
Ah, ah (Ayy, hey, hey, hey, hey)
Put the car in park, spillin' out your heart
I would never lie, fuckin' real from the start

Fuckin' real from the start

Talk shit, but to me, you only say that shit to me

Yeah, yeah, yeah

Shoot hoops in our jeans, only say the things we mean

Yeah, yeah, yeah
