

# Hot Killer

Julia Wolf

I'm a, I'm a, I'm a

I'm a hot killer, I'm a big thriller  
And my lil' sis sicker, she a blood spiller  
I'm a hot killer and I bleed glitter  
I'm a redrum sipper, keep it sinister  
Bitter, he vanilla

Chase true blood with some Fireball  
Shy girl, never thought I was deadly at all  
On my Sanderson shit, I'm gettin' involved  
When this shit drop, they won't be ready at all  
I bite the bullet, they don't bite me  
I don't throw parties, they invite me  
Skippin' the line in my short skirt and Nike's  
Snake in my psyche, I've been on

Team Draco, born into Slytherin  
Cold-blooded, but my small talk innocent  
He bought me a drink, I won't finish it  
And I cut out the middleman

I'm a hot killer, I'm a big thriller  
And my lil' sis sicker, she a blood spiller  
I'm a hot killer and I bleed glitter  
I'm a redrum sipper, keep it sinister  
Bitter, he vanilla

I'm a, I'm a, I'm a hot killer  
I'm a, I'm a, I'm a big thriller  
I'm a, I'm a, I'm a hot killer  
Heart killer, I'm a big thriller, yeah  
I'm a, I'm a, I'm a hot killer  
I'm a, I'm a, I'm a big thriller  
I'm a, I'm a, I'm a hot killer  
Heart killer, I'm a big thriller, yeah

Killer, call me Billy with that scream  
Wearin' all black in the two seat  
I was plottin' back when I was seventeen  
I'm a tall bitch with a small team  
Actors in my DM's I forgot about  
They stay pressed like juice, I won't call 'em out  
They want weekend flings that I'm not about  
They just want a new name they can talk about

Team Draco, born into Slytherin  
Cold-blooded, but my small talk innocent  
He bought me a drink, I won't finish it  
And I cut out the middleman

I'm a hot killer, I'm a big thriller  
And my lil' sis sicker, she a blood spiller  
I'm a hot killer and I bleed glitter  
I'm a redrum sipper, keep it sinister  
Bitter, he vanilla

I'm a, I'm a, I'm a hot killer  
I'm a, I'm a, I'm a big thriller  
I'm a, I'm a, I'm a hot killer  
Heart killer, I'm a big thriller, yeah  
I'm a, I'm a, I'm a hot killer  
I'm a, I'm a, I'm a big thriller  
I'm a, I'm a, I'm a hot killer  
Heart killer, I'm a big thriller, yeah
