

In My Way

Julia Wolf

Unfollow, but she watch all of my stories
I'm not with your man, you don't need to worry
Real talk, don't pass when you're borin'
I see who you are too quick, it's alarmin'

Unfollow, but she watch all of my stories
I'm not with your man, you don't need to worry
Real talk, don't pass when you're borin'
I see who you are too quick, it's alarmin', it's

Dimmi con chi vai e' ti diro' chi sei
See who you hang with, not much to say
Been out of bounds, you don't know your place
I be on my way out, you're in my way

Fuck else can I say?
Said I don't play, play no games, mmm
Fuck else can I say?
You're in my way, in my way

She the jealous type, drags her girlfriends
Run your mouth, I cannot relate to a word
Savin' up so I can pay you no mind
You could hit me, I won't pick up 'cause I don't got time, it's

Dimmi con chi vai e' ti diro' chi sei
See who you hang with, not much to say
Been out of bounds, you don't know your place
I be on my way out, you're in my way

Fuck else can I say?
Said I don't play, play no games, mmm
Fuck else can I say?
You're in my way, in my way

She's protective, comes with the ego
Oversteps the line like a free throw
I don't stay close to low self-esteem
And I never let toxic people come around me
I be, I be in my own lane
'Til someone like you comes off the wrong way
Promise I don't have the time to explain
Your and my problems just aren't the same, it's

Dimmi con chi vai e' ti diro' chi sei
See who you hang with, not much to say
Been out of bounds, you don't know your place
I be on my way out, you're in my way

Fuck else can I say?
Said I don't play, play no games, mmm (No, I don't, no, I don't, no, I don't
, no, I don't, no, I don't)
Fuck else can I say?
You're in my way, in my way
