

You double tap before the picture loads
You wanna be me. Man, it's such a joke
Ha ha ha ha ha ha ha ha
Ha ha ha ha ha ha ha ha

You're playing catch up catch up catch up
And it shows
Red all on your clothes
Red line through your notes
I'm a hater but I'm really holding back though
If I blocked your whole feed would hit "Decline" bro

I'm such an actress
Pretending I did half this
Your shit is average
I'm the mode you can't get past this

You double tap before the picture loads
You wanna be me. Man, it's such a joke
Ha ha ha ha ha ha ha ha
Ha ha ha ha ha ha ha ha

You double tap before the picture loads
You wanna be me. Man, it's such a joke
Ha ha ha ha ha ha ha ha
Ha ha ha ha ha ha ha ha

Piss me off, you're so sloppy
At least do a better job at it
Baby girl loves to copy
At least do a better job at it

You're such an actress
Pretending you still have this
Your shit is average
I'm the mode you can't get past this

You double tap before the picture loads
You wanna be me. Man, it's such a joke
Ha ha ha ha ha ha ha ha
Ha ha ha ha ha ha ha ha

You double tap before the picture loads
You wanna be me. Man, it's such a joke
Ha ha ha ha ha ha ha ha
Ha ha ha ha ha ha ha ha

I'm a fucking star
