

Pillow

Julia Wolf

Flip the pillow over to the cool side
I got dreams that keep me up at night
Take another shower, pass the time
Flushed face means I'm still alive
All the wrong people hit me up at night
On the R Train tryna justify
Not accepting a nine to five
My patience is compromised

I will never act like something I'm not
Don't blame my shyness
I just don't wanna talk
But I think a lot
People can interpret it however they want
It's however you want (Ayy)

Non me ne frega un cazzo
Scrutiny, a hard pill to swallow
I'm not tryna party at LAVO
At least not right now
Not 'til I find some solid ground
Can't be too precious with my sound
Let it out, let it out
Let it out, let it out

(Na-na-na, na-na-na)
Let it out, let it out

Sometimes you gotta braid your own hair
Get shit done when nobody else cares
Notice my breath like I notice the seams
Life could be easy like changing the sheets
And I flip the pillow over
And I know I'm getting older
And I know I'll never change
Always been this way

I will never act like something I'm not
Don't blame my shyness
I just don't wanna talk
But I think a lot
People can interpret it however they want
It's however you want

(Non me ne frega un cazzo)
(I'm not tryna party at LAVO)
(At least not right now)
