

Play It Safe

Julia Wolf

Change in front of the window
That's what's up
Pruny hands in your bathtub
Think I'll never fall in love

Play it safe even when I'm drunk
Play it safe even when I'm drunk

Crossing my fingers I believe in luck
I just want more. but I'm feeling so stuck
Left all my burdens outside of my house
I run away when I start to feel doubt
I'm giving advice on things I don't know about
I said 'I love you' when I did not mean it
Don't listen to me I'm just bleeding it out
I'm just bleeding it out

Change in front of the window
That's what's up
Pruny hands in your bathtub
Think I'll never fall in love

Play it safe even when I'm drunk
Play it safe even when I'm drunk

Ooh-ooh-ooh-ooh
Ooh-ooh-ooh-ooh
Ooh-ooh-ooh-ooh
Ooh-ooh-ooh-ooh

Change in front of the window
That's what's up
Pruny hands in your bathtub
Think I'll never fall in love

Play it safe even when I'm drunk
Play it safe even when I'm drunk
