

East Easy Rider

Julian Cope

Well it's a bruising shattering ride
But I cannot deny myself this luxury
Well it's a bruising shattering ride
But I cannot deny myself this luxury

East easy rider
Easy ride inside of you

Suspension's killing me
But I cannot deny myself this luxury
Suspension's killing me
But I cannot deny myself this luxury

East easy rider
Easy ride inside of you
Yeah, east easy rider
Easy ride inside of you

Shimmer shimmer shimmer
Take it on

Well it's a bruising shattering ride
But I cannot deny myself this luxury
Well it's a bruising shattering ride
But I cannot deny myself this luxury

Oh east easy rider
Easy ride inside of you
Oh east easy rider
Easy ride inside of you

Come on now east easy rider
Easy ride inside of you
You you you you

East easy rider
Easy ride inside of you
