

Because

Julian Lennon

It's right that I should care about you
And try to make you happy when you're blue
It's right, it's right to feel the way I do
Because, because I love you

It's wrong to say I don't think of you
Cause when you say these things
You know it makes me blue

Give me one kiss and I'll be happy
Just--just to be with you

Give me, give me a chance to be near you
Because, because I love you

It's wrong to say I don't think of you
Cause when you say these things
You know it only makes me blue

Give me one kiss and I'll be happy
Just--just to be with you

Give me, give me a chance to be near you
Because, because I love you
Because, because I love you
