

## Creo Que Voy A Llorar

Julian Lennon

We are a rock revolving around the golden sun  
We are a billion children rolled into one  
So when I hear about the hole in the sky  
Creo que voy a llorar

We climb the highest mountains  
We'll make the desert bloom  
We're so ingenious we can walk on the moon  
But when I hear of how the forests have died  
Creo que voy a llorar

I have lived for love, but now that's not enough  
For the world I love is dying  
Time is not a friend, (no friend of mine)  
Cause friends we're out of time  
And it's slowly passing by  
Right before our eyes

We light the deepest oceans  
Send photographs of Mars  
We're so enchanted by how clever we are  
Why should one baby feel so hungry she cries?  
Creo que voy a llorar

I have lived for love, but now that's not enough  
For the world I love is dying (and now I'm crying)  
Time is not a friend (no friend of mine)  
'Cause friends we're out of time  
And it's slowly passing by  
Right before our eyes

We are a rock revolving  
Around a golden sun  
We are a billion children rolled into one  
What will god think of me the day that I die  
Creo que voy a llorar  
Creo que voy a llorar  
Creo que voy a llorar
