

Some Rainy Sunday

Juliana Hatfield

A whippoorwill sings and the morning brings
Sunshine and freedom
A beautiful day
I just couldn't stay
Inside love's prison

But some rainy Sunday I'll wake from a dream
And wonder if you miss me
Some rainy Sunday I'll see things your way
And wish that you were with me

Telephone calls just hit the wall
And you can't see my side
Tied up with you in a manic mood
I just scream goodbye

Some rainy Sunday I'll wake from a dream
And wonder if you miss me
Some rainy Sunday, I'll see my mistake
And wish that you were with me

Ohhh, ohhh

Some rainy Sunday I'll wake from a dream
And wonder if you miss me
Some rainy Sunday, I'll see my mistake
And wish that you were with me
