

## In Light

Julianna Barwick

Now on a new road  
Now not so far to go  
This morning shines, it's warm  
The night's not so dark now

Oh, now  
Oh, now

I saw the sun (I saw the sun)  
Gleaming (gleaming)  
How to take (How to take)  
The dreaming? (dreaming)  
I lost the sands (I lost the sands)  
Of our plot (our plot, oh)  
Now a new (Now a new)  
Foundation (foundation, oh)

Oh, now  
Oh, now
