

You're A Builder Upper

Julie Andrews

You're a builder-upper
A breaker-downer
A holder-outer
And I'm a giver-inner
Sad but true
I'm a sap-a-roo, too
Takin' it from
A taker-over like you

Don't know where I'm at-ter
I'm just a this-sa
Then I'm a that-ta
A take-her-on-the-chinner
My my my, what a weakling am I
To love you as I do

Just when I'm ready to sob
You hand me a throb
And everything is hunky-dory
And that's my story
Open your arms
And I'm a foot for your charms

You're a builder-upper
A breaker-downer

A holder-outer
And I'm a giver-inner
Sad but true
I love it, I do
Being broken by
A builder-upper like you

Just when I'm ready to sob
You hand me a throb
And everything is hunky-dory
And that's my story
Open your arms
And I'm a foot for your charms

You're a builder-upper
A breaker-downer
A holder-outer
And I'm a giver-inner
Sad but true
I love it, I do
Being broken up
All broken up
Being broken by a builder-upper like you
Like you, like you
