

Never Alone

Julie Anne San Jose

You know nobody else can bring the joy
You bring to me
And nobody else can make me feel
Alive and new
There's nothing quite
Like your love
It always makes me smile
Thinking of you

Do I deserve this strong of loving
And this kind of "everything"?

I... am never lonely when I'm with you
I'm... never alone
I... am never lonely when I'm with you
I'm... never alone

Oh you give me everything I need
To see me through
A beautiful force in my life
I can't describe
It doesn't matter where you are
All you have to do is stop
And close my eyes

Do I deserve this strong of loving
And this kind of "everything"?

I... am never lonely when I'm with you
I'm... never alone
I... am never lonely when I'm with you
I'm... never alone

They say nothing in this world lasts forever
Not ever
But they don't share this thing that we do
They can take all that I have but I don't care
I don't care
I'll just keep holding on to you

Yes, I deserve this strong of loving
And this kind of "everything".

I... am never lonely when I'm with you
I'm... never alone
I... am never lonely when I'm with you
I'm... never alone
