

# Blackout

Julie Bergan

This is how we do it  
This is how we do it now  
Look where it started  
Wrap it up, seal it up  
Throw it out the window now

We had it all, but  
It came to show  
You were too caught up  
In your ego  
It's how we do it  
This is how we do it now

Gonna switch you off  
Out of my head and thoughts  
I've had enough now  
Won't take this anymore  
I need a, I need a, I need a  
Blackout

Blackout

This is how I want it  
This is how we do it, now  
I know you know it  
Wrap it up, seal it up  
Throw it out the window now

There's so much talking, but I don't care  
Already lost me, I'm outta here  
It's how I want it  
This is how I want it, now

Gonna switch you off  
Out of my head and thoughts  
I've had enough now  
Won't take this anymore  
I need a, I need a, I need a  
Blackout

Blackout  
Blackout  
(Right out of my head)  
(Pack up, move on, forget)  
Blackout  
(Right out of my head)  
(Pack up, move on, forget)

Right out of my head  
Pack up, move on, forget  
Right out of my head  
I need a, I need a, I need a  
Blackout

Blackout  
Blackout  
(Erase and rewind, out of my mind)

Get out of my mind, yeah)  
Blackout  
(I'll leave it behind, out of my mind  
Get out of my mind, yeah)
