

Selfish

Julie Bergan

You're making me breakfast and I
Know that I really got you now
(Selfish, selfish, selfish)
I'm wearing your shirt from last night
Needed someone to fix my low
(Selfish, selfish, selfish)

'Cause I was cold, left the club alone
Hand my playlist out and to get all same old stupid songs
I could go home but my head said, "Don't"
I just kept on scrolling through my phone
Fuck it, I just called

Selfish, selfish, selfish
I know it's my problems
And I use you to solve them
'Cause I'm selfish, selfish, selfish
I know it's my issues
When I cry, you're my tissue
'Cause I'm selfish, selfish
'Cause I'm selfish, selfish
Selfish, selfish
'Cause I'm selfish, selfish

I know that you don't want me to leave
But you're not asking me to stay
You wear your heart on your sleeve
Though I kept doing this my way

'Cause I was cold, left the club alone
Hand my playlist out and to get all same old stupid songs
I could go home but my head said, "Don't"
I just kept on scrolling through my phone
Fuck it, I just called

Selfish, selfish, selfish
I know it's my problems
And I use you to solve them
'Cause I'm selfish, selfish, selfish
I know it's my issues
When I cry, you're my tissue
'Cause I'm selfish, selfish
'Cause I'm selfish, selfish
Selfish, selfish
'Cause I'm selfish, selfish

Selfish, selfish, selfish
I know it's my problems
And I use you to solve them
'Cause I'm selfish, selfish, selfish

'Cause I was cold, left the club alone
Hand my playlist out and to get all same old stupid songs
I could go home but my head said, "Don't"
I just kept on scrolling through my phone
Fuck it, I just called
Selfish, selfish

'Cause I'm selfish, selfish
Selfish, selfish
'Cause I'm selfish, selfish
