

## Don't Wannabe / Liked By You

Julie Doiron

Don't wanna be liked by you  
Don't wanna be liked by you  
And I never wanna be in your bed  
And I never wanna be in your bed

Don't wanna be liked by you  
Don't wanna be liked by you  
And I never wanna be in your books  
And I never wanna be in your books

Don't wanna be loved by you  
I don't wanna be loved by you  
And I never wanna be in your bed  
And I never wanna be in your books

But I might play music for you  
Oh, I might play music for you

Don't wanna be loved by you  
Don't wanna be loved by you  
And I never understood your scene  
And I never understood your scene  
And we're all screwed anyway cause Greenland is melting  
And we're all screwed anyway

So I suppose I'll just let the love in  
I suppose I'll just let the love in

Don't wanna be liked by you  
Don't wanna be liked by you  
And I never wanna be in your bed  
And I never wanna be in your bed
