Lying

Julie Doiron

```
Are you lying, lying to me?
Are you lying, lying to me?
Are you lying, lying to me?

Are you trying, are you trying to leave?
(I'm not trying, I'm not trying to leave)
Are you trying, are you trying to leave
(I'm not trying, I'm not trying to leave)
Are you trying, are you trying to leave?
(I'm not trying, I'm not trying to leave)

I'm just trying to be
I'm just trying to be

Are you crying, are you crying for me?
(Yes I'm crying, I'm crying for you)
Are you crying, crying for me?
(Oh, I'm crying, crying for you)
Are you crying, crying for me?
(Yes, I'm crying, crying for you)
Are you crying, crying for me?
(I'm crying, I'm crying for you)

And, I'm crying for me
Yes, I'm crying for me
```
