

Some Blues

Julie Doiron

I've got some blues since I last saw you
I've got nothing left for anyone else to get
Nothing
On a field in Milwaukee
I am here, I am here
In the water in Orillia
I am here

I wanna see you, I can't call
I wanna hear you, I can't call
I wanna find you, but I can't call
You're nowhere, nowhere at all

So I'm going to France and
I'm going to Spain
Oh, but I just want to see you again
Oh and I've forgotten what it means to hold you
Oh I've forgotten what it means to laugh

I wanna see you and I can't call
I wanna hear you, I can't call
I wanna find you, I can't call
You're nowhere, nowhere at all
