

The Best Thing For Me

Julie Doiron

The best thing for me to do is run faster than you
The best thing for me to do is run faster than you
If I do, I will make it
And when I do, I might grow up a little bit

The songs I love, the songs for me
Wouldn't it be nice?
The songs for me, songs for me
Won't somebody write a song for me?

After tomorrow I could be a different woman
Could you bring me one more drink?
After tonight, wouldn't it be nice?

The songs I love, the songs for me
Won't somebody write a song for me?
The songs for me, songs for me
Wouldn't it be nice?
