

All My Life

Julie London

All my life
I've been waiting for you
My wonderful one
I've begun
Living all my life

All my love
Has been waiting for you
My life is begun
Now that I'm
Giving all my love

You seem so lovely, so far above me
I'm almost afraid to look
But I adore you, I place before you
A heart that's an open book

All my life
Hold me close to your heart
And all else above
Take my love
Darling, all my life

My wonderful one
I've begun
Living my life

My life is begun
Now that I'm
Giving all my love

You seem so lovely, so far above me
I'm almost afraid to look
But I adore you, I place before you
A heart that's an open book

All my life
Hold me close to your heart
And all else above
Take my love
Darling, all my life
Mmm, my life....
