## **Don't Worry 'bout Me**

## Julie London

Don't worry 'bout me I'll get along Forget about me Be happy, my love

Let's say that our little show is over And so the story ends Why not call it a day the sensible way And still be friends

Look out for yourself
That should be the rule
Give your heart and your love
To whomever you love
Don't be a fool

Darlin', why should we cling to some faded thing That used to be
If you can forget
Don't worry 'bout me
