

I Got a Sweetie

Julie London

Well I gotta baby
Way over town
So good to me

I gotta baby
Way over town
Good to me
Oh yeah

He give me money
When I'm in need
He's a kind one
A friend indeed

I gotta baby
Way over town
So good to me
Oh, yeah

He saves his lovin'
Early in the morning
Just for me
Oh yeah

Saves his lovin'
Early in the morning
Just for me
Oh yeah

He saves his lovin'
Just for me
Oh he loves me tenderly

I gotta baby
Way over town
Good to me
Oh yeah

He says he loves me
Both day and night
Never grumps or fusses
Always treats me right
Never runs the streets
Leavin' me alone
He knows the man's place
Is right here in our home

Well I gotta baby
Way over town
Good to me
Oh yeah

Well I gotta baby
Way over town
Good to me
Oh yeah

Well I'm his baby
Don'tcha understand?
And he's my lover man

I gotta baby
Way over town
He's good to me
Oh yeah

Don'tcha know he's alright
He's alright
He's alright...
