

# I Should Care

Julie London

I should care  
I should go without sleeping  
I should care  
I should go around weeping  
Strangely enough, I sleep well  
Except for a dream or two  
But then I count my sheep well  
Funny how sheep can lull you to sleep

I should care  
I should let it upset me  
I should care  
But it just doesn't get me  
Maybe I won't find someone  
As lovely as you  
I should care  
And I do

I should care  
But it just doesn't get me  
Maybe I won't find someone  
As lovely as you  
I should care  
And I do
