

# If I Should Lose You

Julie London

If I should lose you  
The stars would fall from the sky  
If I should lose you  
The leaves would wither and die

The birds in Maytime  
Would sing a mournful refrain  
And I would wander around  
Hating the sound of rain

With you beside me  
The rose would bloom in the snow  
With you beside me  
No winds of winter would blow

I gave you my love  
And I was living a dream  
But living would seem in vain  
If I lost you
