

It Had to Be You

Julie London

Why do I do, just as you say
Why must I just give you your way
Why do I sigh, why don't I try to forget

It must have been that something lovers call fate
Kept me saying, "I have to wait"
I saw them all just couldn't fall 'til we met

It had to be you, it had to be you
I wandered around, and finally found
The somebody who
Could make me be true
Oh, could make me be blue
And even be sad, all the time glad
Thinking of you

Some others I've seen
Might never be mean
Might never be cross
Or try to be boss
But they wouldn't do
For nobody else, gave me a thrill
With all your faults, I love you still
It had to be you, wonderful you
It had to be you
