No Moon at All

Julie London

No moon at all, what a night Even lightnin' bugs have dimmed their lights Stars have disappeared from sight And there's no moon at all

Don't make a sound, it's so dark Even Fido is afraid to bark What a perfect chance to park And there's no moon at all

Should we want atmosphere for inspiration, dear One kiss will make it clear That tonight is right and bright moonlight might interfere

No moon at all way up above
This is nothin' like they told us of
Just to think we fell in love
And there's no moon at all

Should we want atmosphere for inspiration, dear One kiss will make it clear That tonight is right and bright moonlight might interfere

No moon at all up above
Aww, this is nothin' like they told us of
Just to think we fell in love
And there's no moon at all

Aww, there's no moon at all There is no moon at all No moon at all
