

Say It Isn't So

Julie London

Say it isn't so, say it isn't so
Everyone is saying you don't love me
Say it isn't so

Everywhere I go, everyone I see
They say you're growing tired of me

People say that you found somebody new
And it won't be long before you leave me
Say it isn't true

Just say that everything is still OK
That's all I want to know
And what they're saying, say it isn't so
