

# There Will Never Be Another You

Julie London

There will be many other nights like this  
And I'll be standing here with someone new  
There will be other songs to sing, another Fall, another Spring  
But there will never be another you

There will be other lips that I may kiss  
But they won't thrill me like yours used to do  
Yes, I may dream a million dreams but how can they come true  
If there will never ever be another you?
