

They Can't Take That Away from Me

Julie London

The way you wear your hat
The way you sip your tea
The memory of all that
No they cant take that away from me

The way your smile just beams
The way you sing off key
The way you haunt my dreams
No they cant take that away from me

We may never never meet again, on that bumpy road to love
But Ill always, always keep the memory of

The way you hold your knife
The way we danced till three
The way you changed my life
No they cant take that away from me
