They Can't Take That Away from Me

Julie London

The way you wear your hat The way you sip your tea The memory of all that No they cant take that away from me

The way your smile just beams The way you sing off key The way you haunt my dreams No they cant take that away from me

We may never never meet again, on that bumpy road to love But Ill always, always keep the memory of

The way you hold your knife The way we danced till three The way you changed my life No they cant take that away from me
